

GCC Inbound Trade Mission

October 4 – 8, 2010

**Annapolis, Maryland; Raleigh, North Carolina and
Austin, Texas**

**Meet one on one with pre-qualified buyers from the
Gulf Coast Cooperative**

The GCC (Oman, Qatar, Bahrain, Kuwait and the UAE) countries have some of the highest per capita incomes in the world, and the UAE, in particular, has a growing tourism industry complete with luxurious hotels and restaurants. The area has a combined population of approximately 12 million inhabitants and as much as 90% of their foodstuffs are imported. In addition to foodservice opportunities there are a number of western style retail food chains present throughout the GCC; many of the chains are familiar with US food products and are eager to bring new consumer food items to their markets.

Best Prospects:

■ Meat	■ Canned fruits/ vegetables
■ Poultry	■ Frozen foods
■ Nuts/Snacks	■ Beverages
■ Dairy Products	■ Desserts/pastries
